## Benefits of updating your scheme contribution schedules through Secure Path

- > You get peace of mind. Your sensitive data is automatically encrypted using industry standard high security encryption.
- > You don't need to install any additional software to encrypt or decrypt the files.
- > Once you send a file using Secure Path, you receive a unique reference number. Not only can this be used to quickly refer to a file, but it assures you that Irish Life Corporate Business has received your file.

Secure Path is available to all Employers, Consultants, Payroll Providers and scheme Trustees who are registered users of Pension Planet Interactive ([www.pensionplanetinteractive.ie](http://www.pensionplanetinteractive.ie)).

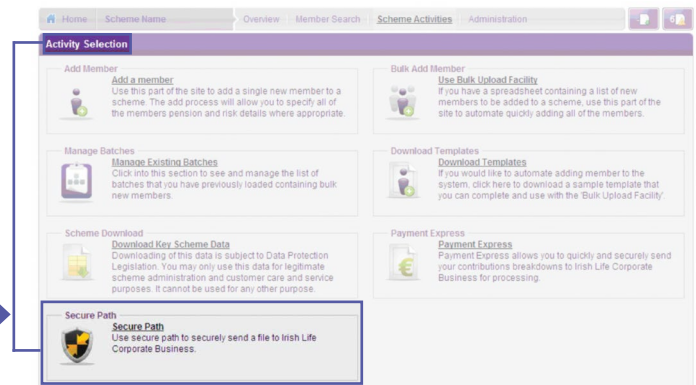

# 3 Easy Steps how to use Secure Path

## Step 1 - Accessing the secure path function

As a user of Pension Planet Interactive you have access to Secure Path and can use this facility to send payroll/excel files to Irish Life Corporate Business.
